# About Zahra Hasanaat

In light of Huzurala Syedna Muhammad Burhanuddin TUS's irshadaat, Syedi Mazoon Saheb tus founded Zahra Hasanaat in Ramadaan 1417H with the following aims and principles. The scheme has helped many mumineen and continues to do so with Mazoon Mola tus's doa Mubarak and guidance and with the efforts of sincere and dedicated volunteers.

## **Aims**

The ultimate aim is not only provide aid but to help individuals and families achieve self reliance. It is Syedi Mazoon Saheb tus's wish that this is to be achieved through personal visits to homes of mumineen. (There are many examples of this being achieved through education, small business loans and wise counsel.)

## **Focus Areas**

Food aid (basic rations, jamans in shehrullah etc.)

Home improvement (Basic hygiene, water proofing etc)

Education (focus on primary and secondary education)

Medical (focus on infant/child health, vaccinations, awareness and low cost treatments and procedures)

Business loans and counsel (focusing on <10K loans to help or grow small business, providing advise).

General welfare (marriages etc)

# Education Programme

Under the aegis of Zahra Hasanaat, Education Programme was initiated in Ashara Mubaraka 1432 to provide assistance to Mumineen parents to fulfill their children's educational needs

## **Vision**

“ To ensure that not a single Mumineen child is without education”

## **Mission**

“ To undertake personal survey of selected area by visiting mumineen houses. To ensure that every mumineen child attends madrasa and good school and colleges, by providing counseling and financial support. To followup on childs development till the end”

# Education Programme

## Modus Operandi

# Education Programme

## Work done till date

- Nalasopara (town in western suburbs of Mumbai at approx 70 kms ) selected as pilot project
- Total 192 houses visited by 6 teams consisting of 2 Education Programme members and one local volunteers
- Team consisting of members from varied fields of Business, Profession and Education, capable of providing specialized solutions towards educational needs
- 47 houses identified for educational need for counseling and financial need for school and madras fees
- Initial financial outlay of Rs. 1,60,000 towards unpaid school fees and madras fees
- 200 sq ft reading room with amenities such as books and computers, with proper sitting and lightening arrangements providing ideal environment for child to concentrate on its studies.
- Full time teacher appointed to manage and run reading room to assist students in their studies
